Dear [redacted]

I sincerely appreciate your participation in the group interview segment of the 1983 Hope College Washington Honors Semester.

The quality of this course is entirely dependent upon the willingness of individuals like yourself to spend some of their valuable time and experience with the Hope students. Our interview with you on January 14 at Central Intelligence Headquarters was a valuable addition to our interview program.

Your contact with our students is not only commendable, but also an effective means by which they may improve their understanding of our governmental system.

Again, thank you for your time. I hope to see you in future semesters.

Sincerely,

Dr. Robert E. Elder, Jr.
Associate Professor of Political Science
and Director of the 1983 Hope College
Washington Honors Semester

Dear [Redacted]

This letter is to request that you participate in the group interview segment of the Spring, 1983 Hope College Washington Honors Semester.

The group interview segment of the Washington Honors Semester involves daily interviews with a variety of persons at two to four organizations involved in a particular area of public policy. We have found that this gives students a feel for the issues and an appreciation of different viewpoints.

The eighteen student participants in the 1983 Washington Honors Semester spend the semester in Washington and have two six-week internships in addition to three weeks of interviews interspersed throughout the semester. The group includes juniors and seniors with majors in a variety of disciplines.

At present we are planning to look at "CIA Resources and Our Intelligence Needs" as one of these policy areas. We would like to visit you in your office or a convenient meeting room from 1:00-2:30 p.m. on Friday, January 14, 1983. If this time and date are convenient, please write a confirmation to my address below. I then will contact the appropriate person at your office to finally confirm arrangements. If this time conflicts with your schedule and you would like to arrange an alternate date, please let me know as soon as possible.

Thank you for your consideration of this request. I know the group hopes to visit your office.

Sincerely,

Robert E. Elder, Director
1983 Washington Honors Semester
